

## YOUR NEXT WAVE OF BENEFITS IS HERE

### Open Enrollment for 2017 is on October 3 thru 21

#### What's Changing in 2017?

#### We're Moving to EIAHealth from CalPERS!

In line with the County of San Benito's goal to keep benefit costs affordable, we will be purchasing our health benefits through a Joint Powers Authority (JPA), the **California State Association of Counties Excess Insurance Authority (CSAC EIA)** effective January 1, 2017.

#### Where Can I Learn More?

Presentations will start at the beginning of each scheduled time and will last for approximately 30 minutes, followed by Q&A and an opportunity to submit your enrollment forms. Please join us on the dates listed on the second page to learn more about the new EIAHealth plans available to you and your dependents:

#### Important Things To Note:

- Enrollment forms and waiver forms (accessible on County website) can be dropped off at Human Resources office, Monday to Friday from 9:00am to 4:00pm from October 3 to 21.
- **ALL** employees who are waiving coverage must complete and submit the new waiver form together with proof of alternative group coverage.
- New employee enrollments and employees that are adding new dependents must submit social security numbers, birthdates, copies of birth certificates and marriage certificates for those you will be insuring. Also, we will be verifying that we have all required documentation for existing enrollments and you may be asked to provide additional supporting documents by October 21, 2016 if needed.
