Per the Signed Landowner Agreement for the reconstruction of two levee sites along the Pacheco Creek in northern San Benito County; the County of San Benito Resource Management Agency hereby gives 7 day notice of a proposed work description on two levee sites with a tentative start date of November 17th, 2017. Work will take place on two sites: Levee Site 1 located on Assessor Parcel Number 015-020-023, and Levee Site 2 located on Assessor Parcel Number 015-050-061. Work may be delayed due to weather, contractor constraints, and any other unforeseen complication.

This work is only a proposal at this time, and is subject to final County approval and subject to adequate funds be appropriated for the work.

This work is **SUBJECT TO FINAL BOARD APPROVAL** at a Special Meeting of the San Benito County Board of Supervisors to be held on November 14, 2017 at 12:00 P.M.

Work to Sites 1 and 2 will follow engineered plans approved by the Resource Management Agency and available for review during normal business hours at the main office: 2301 Technology Parkway, Hollister, CA 95023. Work to be done on both levee sites includes:

- Import fill and riprap to repair scour
- Import fill and riprap to build levee
- Create riprap toe where the repair ties into the creek bottom
- Create 4' x 4' keyway
- Additional work needed to create access to the levee sites such as brush removal, grading, and stabilizing roadways.

Questions should be directed to the Resource Management Agency at 831-636-4170.
