

# Notice of Preparation

TO: All Interested Parties

FROM: County of San Benito

Public Works Department

2301 Technology Parkway

Hollister, CA 95023

## Subject: **Notice of Preparation of a Draft Environmental Impact Report**

The County of San Benito will be the Lead Agency for the preparation of an environmental impact report (EIR) for the project identified below. We need to know the views of your agency as to the scope and content of the environmental information that is germane to your agency's statutory responsibilities in connection with the proposed project. Your agency may need to use the EIR prepared by our agency when considering your permit or other approval of certain aspects of the project.

The project description, location, and the anticipated environmental effects are included in the attached Initial Study.

Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than 30 days after receipt of this notice. The public review period extends from September 25, 2013 to October 25, 2013.

Please send your response to Adam Goldstone, Capital Project Manager, at the address shown above. We will need the name for a contact person in your agency.

The County of San Benito will hold an EIR scoping meeting for the proposed project at 5:30 PM on October 7, 2013. The meeting will be held in the Board of Supervisors Chambers in the County Administration Building, 481 4th Street, Hollister, California. The purpose of the meeting will be to gather input from the community regarding the environmental issues of concern that are relevant to the EIR.
