

San Benito County Public Works Department
Transportation Permit Conditions

- 1) Unless otherwise noted, all items shall conform to the State of California Vehicle Code.
- 2) This permit is authorized only when the load is non-reducible in nature and cannot otherwise be transported within the legal provision of the California Vehicle Code.
- 3) It will be the responsibility of the Permittee to check the route of travel for all clearances to utilities, bridges, and any other obstructions before sending equipment over the routes.
- 4) Exact photographic reproductions of this form and attachments may be used as originals.

For annual permits only:

- 5) Vehicles described in permit are permitted to traverse all County roads, bridges, and other structures in the county road system except those structures closed or posted for other contrary features, and those structures as indicated on the attached map.

I have read and understand, and agree to abide by, the above conditions.
