

San Benito County Public Works Department Transportation Permit Conditions

1. Unless otherwise noted, all items shall conform to the State of California Vehicle Code.
2. This permit is authorized only when the load is non-reducible in nature and cannot otherwise be transported within the legal provision of the California Vehicle Code.
3. It will be the responsibility of the Permittee to check the route of travel for clearances to utilities, bridges, and any other obstructions before sending equipment over the routes.
4. Exact photographic reproductions of this form and attachments may be used as originals (EXCEPTING ANNUAL PERMITS).
5. The permittee is responsible for all liability for injury to, or death of person, or damage to property which may occur through any act or omission of either the permittee or the County of San Benito arising from the issuance of this permit. In the event of any claim, suit or action is brought against the County of San Benito, its officers, employees or agents thereof, by reason of, or in connection with any such act or omission, permittee shall defend, indemnify, and hold harmless the County of San Benito, its officers, employees or agents from such claim, suit or action.

For annual permits only:

6. Permit holders operating the vehicles described in this permit are to notify the Public Works Department prior to moving loads under this permit to verify route, road conditions, and structural load limits on bridges.
7. Whenever it is not possible to notify Public Works because of emergency response requirements or other valid circumstances, the specific conditions as outlined in the Permit Rider shall govern.
