

Water Wells

- Known Operational Wells
- ◆ Well Locations from USGS Quad*
- 2009 Deep (>100' bgs) Depth to H2O*
- 2009 Shallow (<100' bgs) Depth to H2O*
- * Not Included in Depth to GW Contouring

- 19 Well Reference Number
- Panoche Watershed
- - - Creeks
- ▨ Phase 1 Area
- ▨ Project Property

Panoche Valley Roads

- residential
- secondary

This figure is adopted from the 2010 Final EIR and provides the locations of water supply wells in Panoche Valley. It has not been revised to reflect the Revised Project footprint and single construction phase.
